Agenda

INTERNATIONAL MAGMA USER MEETING 2018

October 10-12, Hamburg, Germany

MAGMA

AGENDA

Wednesday, October 10, 2018

19:00 **Welcome Evening**
in the restaurant "Parlament", Hamburg

Thursday, October 11, 2018

08:30 Registration

09:00 **Welcome and User Presentations I**

10:30 Coffee Break

11:00 **User Presentations II**

12:30 Lunch

14:00 **MAGMA Presentation**
Autonomous Engineering

15:00 **MAGMAworkshops**

- Die Casting (HPDC)
- Cast Iron
- Steel Casting
- Non-Ferrous Applications
(Permanent Mold/LPDC/Sand Casting)
- Core Making Processes

Please choose
one of our five
workshops!

17:00 End

18:30 **MAGMAevening**

Friday, October 12, 2018

08:30 **MAGMA Presentation**
Application of MAGMASOFT® 5.4

10:00 Coffee Break

10:30 **MAGMAforums**

- Geometry/Mesh & Optimization
- Result Assessment & Optimization
- Stress & Distortion
- Die Casting (HPDC)
- Cast Iron
- Steel Casting
- Non-Ferrous Applications
- Core Making Processes
- Continuous Casting Processes
- MAGMAacademy

12:30 Lunch

14:00 **Forum FAQs and Résumé**

15:00 **Your future with MAGMA**
Ongoing MAGMA Research & Development

16:00 End of the User Meeting

CONFIRMED PRESENTATIONS

- **Methodical Reduction of Inclusions**
Adrian Lucas Los, WEG, Brazil
- **Shrinkage and Surface Crack on Gas Cutting Plane in Large Cast Steel Products**
Atsushi Kishimoto, Kobe Steel, Japan
- **Removing Porosities Using Optimization in Large Size Castings**
Jens Ole Frandsen, Jens Spangenberg, Global Castings, Germany
- **Autonomous Engineering Comprehensive Support for the Foundry**
Tomasz Nowakowski, Leszczynska Fabryka Pomp, Poland
- **Simulation Process Analysis Aimed at Rationalizing the Resources of the MAGMA During Product Development**
Thiago Chiarotti de Oliveira, Schulz, Brazil
- **Conformal Cooling for High Pressure Die Casting with Metal 3D Printer**
Akihiro Suzuki, Yamaha Motor, Japan
- **Use of Vacuum for High Quality HPDC Parts at BOCAR Group**
Christoph Demmin, Bocar Group, Germany
- **R+D to Develop Improved Simulation Models for Predictable Castings**
Richard Hardin, University of Iowa, USA

We are looking forward to seeing you in Hamburg and we would be pleased to welcome you at the MAGMA Welcome Evening on Wednesday, October 10, 2018.
